Exam 1 mini review sheet.

Phonology
- Know IPA symbols for the sounds of English
- Know the features for each sound in English (e.g. high front tense unrounded, voiceless alveolar fricative).
- Phonology problems like the one in the quiz

Syllable structure (you should know what “onset”, “rhyme”, “nucleus” and “coda” mean).

Morphology:
- Draw trees.
- Recognize ambiguous words and be able to draw multiple trees for them.
- Be able to say which tree is associated with which meaning in the case of an unambiguous word.
- Write rules for affixes.
- Say whether a morpheme is derivational or inflectional.
- Apply part of speech tests to determine the category of a word.
