

1. No/very few bills that the Democratic senators have supported in this year's session will ever become law. (Did Democratic senators support any bills in this year's session? Y)

The bills that no/very few Democratic senators have supported in this year's session will ever become law. (Are there any bills that no/only very few Democratic senators have supported in this year's session? Y)

Most bills that the democratic senators have supported in this year's session will ever become law. (Did Democratic senators support any bills in this year's session? Y)

2. No/very few protests that the zealous celebrities have attended to incite the crowd have ever been ignored by the media. (Did the zealous celebrities attend any protests? Y)

The protests that no/very few zealous celebrities have attended to incite the crowd have ever been ignored by the media. (Were there any protests that no/only very few zealous celebrities have attended? Y)

Most protests that the zealous celebrities have attended to incite the crowd have ever been ignored by the media. (Did the zealous celebrities attend any protests? Y)

3. No/very few cars that the honest mechanics have repaired with care and attention have ever developed serious problems. (Have the honest mechanics repaired some cars? Y)

The cars that no/very few honest mechanics have repaired with care and attention have ever developed serious problems. (Are there cars that no/only very few honest mechanics have repaired? Y)

Most cars that the honest mechanics have repaired with care and attention have ever developed serious problems. (Have the honest mechanics repaired some cars? Y)

4. No/very few houses that the experienced exterminators have treated with their special chemicals have ever been infested with termites. (Are the houses that the experienced exterminators have treated safe from termites? Y)

The houses that no/very few experienced exterminators have treated with their special chemicals have ever been infested with termites. (Are there houses that no/only very few experienced exterminators have treated? Y)

Most houses that the experienced exterminators have treated with their special chemicals have ever been infested with termites. (Did the experienced exterminators treat some houses? Y)

5. No/very few bears that the competent trainers have treated kindly at all times have ever gotten out of control. (Are the well-treated bears easy to control? Y)

The bears that no/very few competent trainers have treated kindly at all times have ever gotten out of control. (Have some bears been mistreated? Y)

Most bears that the competent trainers have treated kindly at all times have ever gotten out of control. (Have the competent trainers treated some bears kindly? Y)

6. No/very few networks that the amateur hackers can gain access to with ease have ever had strong security systems. (Have the vulnerable networks had weak security systems?)

The networks that no/very few amateur hackers can gain access to with ease have ever had strong security systems. (Are some networks very safe? Y)

Most networks that the amateur hackers can gain access to with ease have ever had strong security systems. (Can amateur hackers break into some networks? Y)

7. No/very few coastlines that the Navy officers have patrolled vigilantly in armed boats have ever had serious incidents. (Are the coastlines that have been watched carefully safe? Y)

The coastlines that no/very few Navy officers have patrolled vigilantly in armed boats have ever had serious incidents. (Have the Navy officers paid insufficient attention to some coastlines? Y)

Most coastlines that the Navy officers have patrolled vigilantly in armed boats have ever had serious incidents. (Have the Navy officers patrolled around at least some coastlines? Y)

8. No/very few concerts that the crazy fans can sneak into from the backdoor have ever been completely safe. (Are crazy fans a safety concern for concerts? Y)

The concerts that no/very few crazy fans can sneak into from the backdoor have ever been completely safe. (Are crazy fans a safety concern for concerts? Y)

Most concerts that the crazy fans can sneak into from the backdoor have ever been completely safe. (Are crazy fans a safety concern for concerts? Y)

9. No/very few shows that the famous critics have criticized harshly in their reviews will ever come out on DVD. (Will the famous critics review shows in a harsh way? Y)

The shows that no/very few famous critics have criticized harshly in their reviews will ever come out on DVD. (Will the famous critics review shows in a harsh way? Y)

Most shows that the famous critics have criticized harshly in their reviews will ever come out on DVD. (Will the famous critics review shows in a harsh way? Y)

10. No/very few restaurants that the local newspapers have recommended in their dining reviews have ever gone out of business. (Do the recommended restaurants normally have good business? Y)

The restaurants that no/very few local newspapers have recommended in their dining reviews have ever gone out of business. (Do local newspapers recommend restaurants in their dining reviews? Y)

Most restaurants that the local newspapers have recommended in their dining reviews have ever gone out of business. (Do local newspapers recommend restaurants in their dining reviews? Y)

11. No/very few books that the scholarly historians have cited in their research papers have ever contained erroneous information. (Are scholarly historians careful with citations? Y)

The books that no/very few scholarly historians have cited in their research papers have ever contained erroneous information. (Will some books not be cited by any/only a few historians? Y)

Most books that the scholarly historians have cited in their research papers have ever contained erroneous information. (Do scholarly historians cite books for their research papers? Y)

12. No/very few tests that the bright university students have failed in recent semesters have ever been counted in the course average. (Are the difficult tests normally not counted in the course average? Y)

The tests that no/very few bright university students have failed in recent semesters have ever been counted in the course average. In recent semesters are there tests that no/only very few bright students have failed? Y)

Most tests that the bright university students have failed in recent semesters have ever been counted in the course average. (Did the bright students fail some tests too? Y)

13. No/very few books that the major stores have advertised in their window displays have ever had disappointing sales. (Have the books advertised in the window displays sold well? Y)

The books that no/very few major stores have advertised in their window displays have ever had disappointing sales. (Did some books not get displayed in the windows of the major stores? Y)

Most books that the major stores have advertised in their window displays have ever had disappointing sales. (Do major stores advertise books in their windows? Y)

14. No/very few paintings that the art collectors have desperately desired for their collections have ever been painted by living artists. (Are painting by living artists not extremely desirable for art collectors? Y)

The paintings that no/very few art collectors have desperately desired for their collections have ever been painted by living artists. (Are there any paintings that art collectors don't extremely desire? Y)

Most paintings that the art collectors have desperately desired for their collections have ever been painted by living artists. (Do art collectors desperately want some paintings? Y)

15. No/very few concerts that the poor students can afford with their limited budgets have ever been held in fancy music halls. (Are some concerts too expensive for the poor students? Y)

The concerts that no/very few poor students can afford with their limited budgets have ever been held in fancy music halls. (Are some concerts too expensive for the poor students? Y)

Most concerts that the poor students can afford with their limited budgets have ever been held in fancy music halls. (Are some concerts too expensive for the poor students? Y)

16. No/very few movies that the conservative groups have protested for their inappropriate content have ever had widespread success at the box office. (Do protests from the conservative groups often hurt the sales of movies? Y)

The movies that no/very few conservative groups have protested for their inappropriate content have ever had widespread success at the box office. (Do conservative groups sometimes protest for inappropriate content in movies? Y)

Most movies that the conservative groups have protested for their inappropriate content have ever had widespread success at the box office. (Do conservative groups sometimes protest for inappropriate content in movies? Y)

17. No/very few organizations that the charity groups have endorsed with generous financial support have ever harmed the environment. (Are most organizations supported by charity groups environment-friendly? Y)

The organizations that no/very few charity groups have endorsed with generous financial support have ever harmed the environment. (Are there any organizations that are not supported by charity groups? Y)

Most organizations that the charity groups have endorsed with generous financial support have ever harmed the environment. (Do charity groups support some organizations? Y)

18. No/very few shipwrecks that the treasure hunters have secretly searched for lost gold have ever been thought to be haunted. (Have treasure hunters secretly searched some shipwrecks? Y)

The shipwrecks that no/very few treasure hunters have secretly searched for lost gold have ever been thought to be haunted. (Are there any shipwrecks that no/only very few treasure hunters have searched? Y)

Most shipwrecks that the treasure hunters have secretly searched for lost gold have ever been thought to be haunted. (Do some treasure hunters secretly search shipwrecks for lost gold? Y)

19. No/very few vegetables that the picky children really like to eat at dinnertime have ever been considered highly nutritious. (Do picky children eat vegetables that are not highly nutritious? Y)

The vegetables that no/very few picky children really like to eat at dinnertime have ever had been considered highly nutritious. (Are there any vegetables that no/only very few picky children like to eat? Y)

Most vegetables that the picky children really like to eat at dinnertime have ever been considered highly nutritious. (Do picky children like to eat some vegetables? Y)

20. No/very few cars that the safety experts have tested before the public release have ever had extremely dangerous features. (Do safety experts test cars before the public release? Y)

The cars that no/very few safety experts have tested before the public release have ever had extremely dangerous features. (Are there any cars that no/only very few safety experts have tested? Y)

Most cars that the safety experts have tested before the public release have ever had extremely dangerous features. (Do safety experts test cars before the public release? Y)

21. No/very few pyramids that the adventurous archaeologists have explored during their field trips have ever been declared off-limits to tourists. (Did adventurous archaeologists explore some pyramids during their field trips? Y)

The pyramids that no/very few adventurous archaeologists have explored during their field trips have ever been declared off-limits to tourists. (Are there any pyramids that no/only very few adventurous archaeologists have explored during their field trips? Y)

Most pyramids the adventurous archaeologists have explored during their field trips have ever been declared off-limits to tourists. (Did adventurous archaeologists explore some pyramids during their field trips? Y)

22. No/very few hotels that the travel books have included in their latest editions have ever received serious complaints. (Do travel books include hotel information? Y)

The hotels that no/very few travel books have included in their latest editions have ever received serious complaints. (Do travel books include hotel information? Y)

Most hotels that the travel books have included in their latest editions have ever received serious complaints. (Do travel books include hotel information? Y)

23. No/very few codes that the government spies can crack within half an hour have ever used computerized encryption. (Can government spies crack some codes? Y)

The codes that no/very few government spies can crack within half an hour have ever used computerized encryption. (Can government spies crack some codes? Y)

Most codes that the government spies can crack within half an hour have ever used computerized encryption. (Can government spies crack some codes? Y)

24. No/very few bacteria that the health experts have carefully studied in their labs have ever caused serious epidemics. (Do health experts study bacteria in their labs? Y)

The bacteria that no/very few health experts have carefully studied in their labs have ever caused serious epidemics. (Are there any bacteria that no/only very few health experts have carefully studied in their labs? Y)

Most bacteria that the health experts have carefully studied in their labs have ever caused serious epidemics. (Do health experts study bacteria in their labs? Y)

25. No/very few beaches that the recent hurricanes have damaged to a significant degree have ever managed to attract many tourists. (Did the recent hurricanes damage some beaches? Y)

The beaches that no/very few recent hurricanes have damaged to a significant degree have ever managed to attract many tourists. (Are there any hurricanes recently? Y)

Most beaches that the recent hurricanes have damaged to a significant degree have ever managed to attract many tourists. (Did the recent hurricanes damage some beaches? Y)

26. No/very few sports that the public schools have required in physical education classes have ever been unpopular with the parents. (Are required sports in public schools popular with parents? Y)

The sports that no/very few public schools have required in physical education classes have ever been unpopular with the parents. (Are there any sports that no/only very few public schools require in physical education classes? Y)

Most sports that the public schools have required in physical education classes have ever been unpopular with the parents. (Do public schools require some sports in physical education classes? Y)

27. No/very few posters that the local shops have displayed in their front window have ever been political in nature. (Are local shops careful with their display posters? Y)

The posters that no/very few local shops have displayed in their front window have ever been political in nature. (Are there any posters that are not very popular with local shops? Y)

Most posters that the local shops have displayed in their front window have ever been political in nature. (Do local shops display posters in their front window? Y)

28. No/very few flowers that the picky florists regularly use in their floral arrangements have ever been regarded as weeds. (Do picky florists pick nice flowers for their floral arrangements? Y)

The flowers that no/very few picky florists regularly use in their floral arrangements have ever been regarded as weeds. (Are there any flowers that are not popular with picky florists? Y)

Most flowers that the picky florists regularly use in their floral arrangements have ever been regarded as weeds. (Do picky florists regularly use some flowers? Y)

29. No/very few jobs that the college graduates have landed with their bachelor's degree have ever paid less than ten dollars an hour. (Do college graduates normally make more than \$10 an hour? Y)

The jobs that no/very few college graduates have landed with their bachelor's degree have ever paid less than ten dollars an hour. (Are there any jobs that no/only very few college graduates have landed? Y)

Most jobs that the college graduates have landed with their bachelor's degree have ever paid less than ten dollars an hour. (Can college graduates find jobs with their bachelor's degree? Y)

30. No/very few rivers that the industrial factories have polluted with their chemical waste have ever remained clean for a long time. (Is it difficult to clean up the polluted rivers? Y)

The rivers that no/very few industrial factories have polluted with their chemical waste have ever remained clean for a long time. (Are there any rivers that are not polluted by many factories? Y)

Most rivers that the industrial factories have polluted with their chemical waste have ever remained clean for a long time. (Do factories pollute rivers? Y)

31. No/very few languages that the language schools have taught to foreign exchange students have ever been very difficult to learn. (Do language schools teach difficult languages to foreign students? N)

The languages that no/very few language schools have taught to foreign exchange students have ever been very difficult to learn. (Do language schools teach all the languages to foreign exchange students? N)

Most languages that the language schools have taught to foreign exchange students have ever been very difficult to learn. (Do language schools only teach English to foreign students? N)

32. No/very few scores that the talented violinists can memorize for their personal repertoire have ever been longer than thirty pages. (Can talented violinists memorize all the scores? N)

The scores that no/very few talented violinists can memorize for their personal repertoire have ever been longer than thirty pages. (Can talented violinists memorize all the scores? N)

Most scores that the talented violinists can memorize for their personal repertoire have ever been longer than thirty pages. (Can talented violinists memorize all the scores? N)

33. No/very few politicians that the big corporations have supported with large campaign donations have ever lost their elections. (Do politicians that have support from big corporations normally lose their elections? N)

The politicians that no/very few big corporations have supported with large campaign donations have ever lost their elections. (Does every politician get support from many big corporations? N)

Most politicians that the big corporations have supported with large campaign donations have ever lost their elections. (Do big corporations never support politicians? N)

34. No/very few documentaries that the network TV stations have played during prime time have ever been very controversial. (Have prime time documentaries been controversial? N)

The documentaries that no/very few network TV stations have played during prime time have ever been very controversial. (Are documentaries always being played during prime time? N)

Most documentaries that the network TV stations have played during prime time have ever been very controversial. (Do network TV stations never play documentaries during prime time? N)

35. No/very few parties that the frat boys were invited to attend this semester have ever been short of beer. (Are the parties that frat boys go to short of beer? N)

The parties that no/very few frat boys were invited to attend this semester have ever been short of beer. (Are frat boys invited to every party this semester? N)

Most parties that the frat boys were invited to attend this semester have ever been short of beer. (Do parties never invite frat boys? N)

36. No/very few corporations that the government inspectors have audited in the last decade have ever managed to hide their shady dealings. (Did audited corporations manage to hide their shady dealings? N)

The corporations that no/very few government inspectors have audited in the last decade have ever managed to hide their shady dealings. (Did all the corporations get audited by the inspectors? N)

Most corporations that the government inspectors have audited in the last decade have ever managed to hide their shady dealings. (Did corporations never get audited? N)

37. No/very few policies that the school-board members have strongly objected to in public have ever been supported by the teachers. (Have the teachers supported the policies that the school board objected to? N)

The policies that no/very few school-board members have strongly objected to in public have ever been supported by the teachers. (Have every school-board members objected to all the policies? N)

Most policies that the school-board members have strongly objected to in public have ever been supported by the teachers. (Have the school board never objected to some policies? N)

38. No/very few shows that the young children have seen on the movie channels have ever contained violent scenes. (Did most of the shows that children watch on the movie channels contain violent scenes? N)

The shows that no/very few young children have seen on the movie channels have ever contained violent scenes. (Have most young children watched all the shows on the movie channels? N)

Most shows that the young children have seen on the movie channels have ever contained violent scenes. (Do young children never watch shows on the movie channels? N)

39. No/very few volcanoes that the skilled geologists have monitored for unusual volcanic activity have ever erupted unexpectedly. (Have monitored volcanoes erupted unexpectedly? N)

The volcanoes that no/very few skilled geologists have monitored for unusual volcanic activity have ever erupted unexpectedly. (Did all the volcanoes get enough monitoring from skilled geologists? N)

Most volcanoes that the skilled geologists have monitored for unusual volcanic activity have ever erupted unexpectedly. (Did geologists never monitor volcanoes? N)

40. No/very few castles that the experienced carpenters have checked on an annual basis have ever had structural problems. (Do castles checked by carpenters still have structural problems? N)

The castles that no/very few experienced carpenters have checked on an annual basis have ever had structural problems. (Have experienced carpenters checked all the castles? N)

Most castles that the experienced carpenters have checked on an annual basis have ever had structural problems. (Do experienced carpenters never check castles? N)

41. No/very few courses that the senior professors like to teach to undergraduate students have ever had difficult material. (Are senior professors' classes for undergraduate difficult? N)

The courses that no/very few senior professors like to teach to undergraduate students have ever had difficult material. (Do senior professors like to teach all the undergraduate classes? N)

Most courses that the senior professors like to teach to undergraduate students have ever had difficult material. (Do senior professors dislike all the undergraduate courses? N)

42. No/very few roads that the highway workers have inspected in the last year have ever contained too many potholes. (Did inspected roads have lots of potholes? N)

The roads that no/very few highway workers have inspected in the last year have ever contained too many potholes. (Did highway workers inspect all the roads? N)

Most roads that the highway workers have inspected in the last year have ever contained too many potholes. (Did highway workers never inspect roads? N)

43. No/very few plays that the rich producers have thought to be very promising have ever had trouble getting financing. (Do promising plays have trouble to get financing? N)

The plays that no/very few rich producers have thought to be very promising have ever had trouble getting financing. (Do rich producers never evaluate plays? N)

Most plays that the rich producers have thought to be very promising have ever had trouble getting financing. (Do rich producers never evaluate plays? N)

44. No/very few magazines that the dentists' offices have ordered for the waiting room have ever been considered inappropriate for children. (Do dentists' offices order magazines that are inappropriate for children? N)

The magazines that no/very few dentists' offices have ordered for the waiting room have ever been considered inappropriate for children. (Do dentists' offices never order magazines? N)

Most magazines that the dentists' offices have ordered for the waiting room have ever been considered inappropriate for children. (Do dentists' offices never order magazines? N)

45. No/very few contracts that the union members have supported in the labor negotiations have ever failed to represent the workers' interests. (Did the contracts fail to represent worker's interests? N)

The contracts that no/very few union members have supported in the labor negotiations have ever failed to represent the workers' interests. (Are all the contracts supported by union members? N)

Most contracts that the union members have supported in the labor negotiations have ever failed to represent the workers' interests. (Did union members never support any contracts? N)

46. No/very few neighborhoods that the police officers have patrolled all around the clock have ever had serious crime waves. (Are neighborhoods that are protected by police officers still dangerous? N)

The neighborhoods that no/very few police officers have patrolled all around the clock have ever had serious crime waves. (Do police officers patrolled all around the clock in all the neighborhoods? N)

Most neighborhoods that the police officers have patrolled all around the clock have ever had serious crime waves. (Do police officers never patrol around the neighborhoods? N)

47. No/very few cosmetics that the fashion magazines have recommended for professional young women have ever had disappointing sales. (Are professional young women not a market for cosmetics sales? N)

The cosmetics that no/very few fashion magazines have recommended for professional young women have ever had disappointing sales. (Did fashion magazines recommend all the cosmetics to professional young women? N)

Most cosmetics that the fashion magazines have recommended for professional young women have ever had disappointing sales. (Did fashion magazines never recommend cosmetics to professional young women? N)

48. No/very few routines that the figure skaters can pull off on their own have ever been completely risk-free. (Are figure skaters' routines risk-free? N)

The routines that no/very few figure skaters can pull off on their own have ever been completely risk-free. (Can figure skaters pull off all routines on their own? N)

Most routines that the figure skaters can pull off on their own have ever been completely risk-free. (Do figure skaters always need help to pull off some routines? N)

49. No/very few puzzles that the young children can put together without parental help have ever contained more than 50 pieces. (Can young children put together very complex puzzles by themselves? N)

The puzzles that no/very few young children can put together without parental help have ever contained more than 50 pieces. (Are all the puzzles easy for young children? N)

Most puzzles that the young children can put together without parental help have ever contained more than 50 pieces. (Are young children never able to put together any puzzles? N)

50. No/very few rings that the working-class men can afford for their beloved wives have ever used first class materials. (Can working-class men afford any rings they wanted for their wives? N)

The rings that no/very few working-class men can afford for their beloved wives have ever used first class materials. (Can working-class men afford any rings they wanted for their wives? N)

Most rings that the working-class men can afford for their beloved wives have ever used first class materials. (Do working-class men never afford any rings for their wives? N)

51. No/very few fairy-tales that the considerate parents read to their children at bedtime have ever contained violent characters. (Do considerate parents read violent stories to their children at bedtime? N)

The fairy-tales that no/very few considerate parents read to their children at bedtime have ever contained violent characters. (Are all the fairy-tales popular with parents as bedtime stories? N)

Most fairy-tales that the considerate parents read to their children at bedtime have ever contained violent characters. (Do considerate parents never read fairy-tales to their children at bedtime? N)

52. No/very few animals that the friendly families are willing to adopt as pets have ever appeared to suffer from serious diseases. (Do families like adopting animals with diseases? N)

The animals that no/very few friendly families are willing to adopt as pets have ever appeared to suffer from serious diseases. (Can all the animals easily find a family to be adopted? N)

Most animals that the friendly families are willing to adopt as pets have ever appeared to suffer from serious diseases. (Do families never adopt animals as pets? N)

53. No/very few monologues that the Shakespearean actors have chosen for their important auditions have ever used obscure language. (Do Shakespearean actors often choose obscure monologues for auditions? N)

The monologues that no/very few Shakespearean actors have chosen for their important auditions have ever used obscure language. (Are all the monologues popular with Shakespearean actors in their auditions? N)

Most monologues that the Shakespearean actors have chosen for their important auditions have ever used obscure language. (Do Shakespearean actors never choose monologues for their auditions? N)

54. No/very few exercises that the yoga instructors regularly teach to their elderly students have ever required difficult body movements. (Do yoga instructors teach difficult movements to their elderly students? N)

The exercises that no/very few yoga instructors regularly teach to their elderly students have ever required difficult body movements. (Do yoga instructors teach all the exercises to their elderly students? N)

Most exercises that the yoga instructors regularly teach to their elderly students have ever required difficult body movements. (Do yoga instructors only teach young students? N)

55. No/very few deserts that the nomadic caravans can traverse in under two weeks have ever been known to cause many deaths. (Can nomadic caravans easily traverse deserts that are life-threatening? N)

The deserts that no/very few nomadic caravans can traverse in under two weeks have ever been known to cause many deaths. (Can nomadic caravans easily traverse any deserts? N)

Most deserts that the nomadic caravans can traverse in under two weeks have ever been known to cause many deaths. (Are nomadic caravans never able to traverse any deserts? N)

56. No/very few cameras that the professional photographers have used at important sports games have ever used manual focus. (Do professional photographers use manual focus for important games? N)

The cameras that no/very few professional photographers have used at important sports games have ever used manual focus. (Are all kinds of cameras suitable for professional photographers at important games? N)

Most cameras that the professional photographers have used at important sports games have ever used manual focus. (Do professional photographers tolerate any kind of cameras? N)

57. No/very few stocks that the financial analysts have endorsed in serious business magazines have ever disappointed their investors. (Is the advice given by financial analysts misleading the investors? N)

The stocks that no/very few financial analysts have endorsed in serious business magazines have ever disappointed their investors. (Is it the case that financial analysts have endorsed every stock in serious business magazines? N)

Most stocks that the financial analysts have endorsed in serious business magazines have ever disappointed their investors. (Is it the case that financial analysts never endorse any stocks in magazines? N)

58. No/very few passengers that the kind stewardesses have served during long overnight flights have ever complained about bad service. (Do passengers complain about the services provided by kind stewardesses? N)

The passengers that no/very few kind stewardesses have served during long overnight flights have ever complained about bad service. (Did all the passengers receive good services during the overnight flights? N)

Most passengers that the kind stewardesses have served during long overnight flights have ever complained about bad service. (Did none of the passengers receive services during the overnight flights? N)

59. No/very few vaccines that the health officials have claimed to be absolutely essential have ever been in short supply. (Did important vaccines suffer from short supply? N)

The vaccines that no/very few health officials have claimed to be absolutely essential have ever been in short supply. (Are all vaccines essential according to the health officials? N)

Most vaccines that the health officials have claimed to be absolutely essential have ever been in short supply. (Do health officials think no vaccines are essential? N)

60. No/very few politicians that the female voters have supported for the upcoming election have ever ignored education policies. (Do female voters ignore education policies? N)

The politicians that no/very few female voters have supported for the upcoming election have ever ignored education policies. (Do all the politicians get support from female voters? N)

Most politicians that the female voters have supported for the upcoming election have ever ignored education policies. (Did female voters dislike all the politicians for the upcoming election? N)

61. No/very few textbooks that the publishing companies have reprinted in the last decade have ever had a problem of short supply.

The textbooks that no/very few publishing companies have reprinted in the last decade have ever had a problem of short supply.

Most textbooks that the publishing companies have reprinted in the last decade have ever had a problem of short supply.

62. No/very few hairstyles that the top stylists have given to their famous clients have ever become unpopular among teenagers.

The hairstyles that no/very few top stylists have given to their famous clients have ever become unpopular among teenagers.

Most hairstyles that the top stylists have given to their famous clients have ever become unpopular among teenagers.

63. No/very few bicycles that the experienced cyclists have bought for their daily training have ever used aluminum gears.

The bicycles that no/very few experienced cyclists have bought for their daily training have ever used aluminum gears.

Most bicycles that the experienced cyclists have bought for their daily training have ever used aluminum gears.

64. No/very few neighborhoods that the wealthy families have moved into with their children have ever developed a high crime rate.

The neighborhoods that no/very few wealthy families have moved into with their children have ever developed a high crime rate.

Most neighborhoods that the wealthy families have moved into with their children have ever developed a high crime rate.

65. No/very few mountains that the famous mountain-climbers have attempted in the last decade have ever been taller than 12,000 feet.

The mountains that no/very few famous mountain-climbers have attempted in the last decade have ever been taller than 12,000 feet.

Most mountains that the famous mountain-climbers have attempted in the last decade have ever been taller than 12,000 feet.

66. No/very few bulls that the famous bullfighters can defeat easily in the ring will ever be sold to ranchers.

The bulls that no/very few famous bullfighters can defeat easily in the ring will ever be sold to ranchers.

Most bulls that the famous bullfighters can defeat easily in the ring will ever be sold to ranchers.

67. No/very few novels that the busy housewives can finish reading between their breaks have ever been big and thick.

The novels that no/very few busy housewives can finish reading between their breaks have ever been big and thick.

Most novels that the busy housewives can finish reading between their breaks have ever been big and thick.

68. No/very few patients that the specialized nurses have cared for at the hospital have ever lodged a complaint.

The patients that no/very few specialized nurses have cared for at the hospital have ever lodged a complaint.

Most patients that the specialized nurses have cared for at the hospital have ever lodged a complaint.

69. No/very few papers that the writing tutors have checked before the final deadline have ever received a grade lower than a B.

The papers that no/very few writing tutors have checked before the final deadline have ever received a grade lower than a B.

Most papers that the writing tutors have checked before the final deadline have ever received a grade lower than a B.

70. No/very few skyscrapers that the federal engineers have inspected during the construction period have ever had serious structural problems.

The skyscrapers that no/very few federal engineers have inspected during the construction period have ever had serious structural problems.

Most skyscrapers that the federal engineers have inspected during the construction period have ever had serious structural problems.

71. No/very few games that the visiting spectators have attended during this football season have ever been boring.

The games that no/very few visiting spectators have attended during this football season have ever been boring.

Most games that the visiting spectators have attended during this football season have ever been boring.

72. No/very few employees that the senior managers have praised for their hard work have ever quit their jobs without warning.

The employees that no/very few senior managers have praised for their hard work have ever quit their jobs without warning.

Most employees that the senior managers have praised for their hard work have ever quit their jobs without warning.

73. No/very few songs that the band members have rehearsed individually before important concerts have ever sounded bad on stage.

The songs that no/very few band members have rehearsed individually before important concerts have ever sounded bad on stage.

Most songs that the band members have rehearsed individually before important concerts have ever sounded bad on stage.

74. No/very few classes that the English majors have taken for their general requirements have ever had a significant amount of lab work.

The classes that no/very few English majors have taken for their general requirements have ever had a significant amount of lab work.

Most classes that the English majors have taken for their general requirements have ever had a significant amount of lab work.

75. No/very few cities that the adventurous travelers have passed through on backpacking trips have ever lacked lively entertainment.

The cities that no/very few adventurous travelers have passed through on backpacking trips have ever lacked lively entertainment

Most cities that the adventurous travelers have passed through on backpacking trips have ever lacked lively entertainment.

76. No/very few ingredients that the famous restaurants have used in their specialty dishes have ever contained artificial preservatives.

The ingredients that no/very few famous restaurants have used in their specialty dishes have ever contained artificial preservatives.

Most ingredients that the famous restaurants have used in their specialty dishes have ever contained artificial preservatives.

77. No/very few medications that the respected doctors have endorsed for their own patients have ever been recalled for safety reasons.

The medications that no/very few respected doctors have endorsed for their own patients have ever been recalled for safety reasons.

Most medications that the respected doctors have endorsed for their own patients have ever been recalled for safety reasons.

78. No/very few cows that the local veterinarians have examined on a regular basis have ever gotten very sick.

The cows that no/very few local veterinarians have examined on a regular basis have ever gotten very sick.

Most cows that the local veterinarians have examined on a regular basis have ever gotten very sick.

79. No/very few ships that the customs officers have inspected at the harbor front have ever contained smuggled material.

The ships that no/very few customs officers have inspected at the harbor front have ever contained smuggled material.

Most ships that the customs officers have inspected at the harbor front have ever contained smuggled material.

80. No/very few horses that the greedy gamblers have bet on in the races have ever won first place.

The horses that no/very few greedy gamblers have bet on in the races have ever won first place

Most horses that the greedy gamblers have bet on in the races have ever won first place.

81. No/very few stories that the local storytellers have retold to the younger generations have ever been completely forgotten.

The stories that no/very few local storytellers have retold to the younger generations have ever been completely forgotten.

Most stories that the local storytellers have retold to the younger generations have ever been completely forgotten.

82. No/very few trails that the elderly runners have used for their daily jog have ever been very rocky.

The trails that no/very few elderly runners have used for their daily jog have ever been very rocky.

Most trails that the elderly runners have used for their daily jog have ever been very rocky.

83. No/very few criminals that the eye witnesses have clearly identified for the prosecution have ever gotten away from the law.

The criminals that no/very few eye witnesses have clearly identified for the prosecution have ever gotten away from the law.

Most criminals that the eye witnesses have clearly identified for the prosecution have ever gotten away from the law.

The techniques that no/very few old-fashioned woodworkers have used to make their furniture have ever required power tools.

Most techniques that the old-fashioned woodworkers have used to make their furniture have ever required power tools.

106. No/very few wineries that the gourmet magazines have praised in their wine reviews have ever used New York grapes.

The wineries that no/very few gourmet magazines have praised in their wine reviews have ever used New York grapes.

Most wineries that the gourmet magazines have praised in their wine reviews have ever used New York grapes.

107. No/very few problems that the junior engineers can fix on their first attempt have ever dealt with complex wiring issues.

The problems that no/very few junior engineers can fix on their first attempt have ever dealt with complex wiring issues.

Most problems that the junior engineers can fix on their first attempt have ever dealt with complex wiring issues.

108. No/very few minivans that the car salesmen have sold at the annual sale have ever lacked advanced safety features.

The minivans that no/very few car salesmen have sold at the annual sale have ever lacked advanced safety features.

Most minivans that the car salesmen have sold at the annual sale have ever lacked advanced safety features.

109. No/very few cultures that the anthropology students have studied on long-term field trips have ever aroused interest among experts.

The cultures that no/very few anthropology students have studied on long-term field trips have ever aroused interest among experts.

Most cultures that the anthropology students have studied on long-term field trips have ever aroused interest among experts.

110. No/very few scholarships that the female students have received from the engineering society have ever been accused of being gender-biased.

The scholarships that no/very few female students have received from the engineering society have ever been accused of being gender-biased.

Most scholarships that the female students have received from the engineering society have ever been accused of being gender-biased.

111. No/very few resorts that the tourist agencies have suggested to their wealthy customers have ever had a management scandal.

The resorts that no/very few tourist agencies have suggested to their wealthy customers have ever had a management scandal.

Most resorts that the tourist agencies have suggested to their wealthy customers have ever had a management scandal.

112. No/very few farms that the migrant workers have worked for in the summer have ever tried to fully comply with local regulations.

The farms that no/very few migrant workers have worked for in the summer have ever tried to fully comply with local regulations.

Most farms that the migrant workers have worked for in the summer have ever tried to fully comply with local regulations.

113. No/very few tricks that the circus dogs can perform reliably for their owners have ever involved complex verbal commands.

The tricks that no/very few circus dogs can perform reliably for their owners have ever involved complex verbal commands.

Most tricks that the circus dogs can perform reliably for their owner have ever involved complex verbal commands.

114. No/very few exhibitions that the art aficionados have sponsored at the world-famous museum have ever included sixteenth century Dutch paintings.

The exhibitions that no/very few art aficionados have sponsored at the world-famous museum have ever included sixteenth century Dutch paintings.

Most exhibitions that the art aficionados have sponsored at the world-famous museum have ever included sixteenth century Dutch paintings.

115. No/very few beverages that the night clubs regularly serve to their young clientele have ever contained hard liquor.

The beverages that no/very few night clubs regularly serve to their young clientele have ever contained hard liquor.

Most beverages that the night clubs regularly serve to their young clientele have ever contained hard liquor.

116. No/very few players that the NBA teams planned to recruit for this season have ever let down their team.

The players that no/very few NBA teams planned to recruit for this season have ever let down their team.

Most players that the NBA teams planned to recruit for this season have ever let down their team.

117. No/very few tasks that the new employees have completed in under a week have ever required extensive programming experience.

The tasks that no/very few new employees have completed in under a week have ever required extensive programming experience.

Most tasks that the new employees have completed in under a week have required extensive programming experience .

118. No/very few dances that the trained ballerinas can perform with grace and elegance have ever been easy for traditional gypsy dancers.

The dances that no/very few trained ballerinas can perform with grace and elegance have ever been easy for traditional gypsy dancers.

Most dances that the trained ballerinas can perform with grace and elegance have ever been easy for traditional gypsy dancers.

119. No/very few children that the playground bullies have picked on at recess time have ever been in detention.

The children that no/very few playground bullies have picked on at recess time have ever been in detention.

Most children that the playground bullies have picked on at recess time have ever been in detention.

120. No/very few threats that the CIA agents have been able to investigate thoroughly have ever come from unreliable sources.

The threats that no/very few CIA agents have been able to investigate thoroughly have ever come from unreliable sources.

Most threats that the CIA agents have been able to investigate thoroughly have ever come from unreliable sources.

121. No/very few knots that the junior campers can tie in under a minute have ever been considered extremely useful.

The knots that no/very few junior campers can tie in under a minute have ever been considered extremely useful.

Most knots that the junior campers can tie in under a minute have ever been considered extremely useful.

122. No/very few caves that the daring backpackers have explored along the steep cliffs have ever been extremely treacherous.

The caves that no/very few daring backpackers have explored along the steep cliffs have ever been extremely treacherous.

Most caves that the daring backpackers have explored along the steep cliffs have ever been extremely treacherous.

123. No/very few battleships that the clever generals have wanted to use in battle have ever used outdated technology.

The battleships that no/very few clever generals have wanted to use in battle have ever used outdated technology.

Most battleships that the clever generals have wanted to use in battle have ever used outdated technology.

124. No/very few bars that the card players routinely play poker at after work have ever hosted a poker tournament.

The bars that no/very few card players routinely play poker at after work have ever hosted a poker tournament.

Most bars that the card players routinely play poker at after work have ever hosted a poker tournament.

125. No/very few desserts that the responsible dieticians have allowed in their clients' diets have ever included corn syrup.

The desserts that no/very few responsible dieticians have allowed in their clients' diets have ever included corn syrup.

Most desserts that the responsible dieticians have allowed in their clients' diets have ever included corn syrup.

126. No/very few treaties that the aggressive nations have agreed to sign during wartime have ever contained harsh demands.

The treaties that no/very few aggressive nations have agreed to sign during wartime have ever contained harsh demands.

Most treaties that the aggressive nations have agreed to sign during wartime have ever contained harsh demands.

127. No/very few fabrics that the interior designers have used in their clients' houses have ever caused allergic reactions in people.

The fabrics that no/very few interior designers have used in their clients' houses have ever caused allergic reactions in people.

Most fabrics that the interior designers have used in their clients' houses have ever caused allergic reactions in people.

128. No/very few cleaners that the careful housewives have used on their bathroom floor have ever been rumored to damage tile.

The cleaners that no/very few careful housewives have used on their bathroom floor have ever been rumored to damage tile.

Most cleaners that the neat housewives have used on their bathroom floor have ever been rumored to damage tile.

129. No/very few libraries that the studious pupils have used before the exam period have ever lacked quiet study rooms.

The libraries that no/very few studious pupils have used before the exam period have ever lacked quiet study rooms.

Most libraries that the studious pupils have used before the exam period have ever lacked quiet study rooms.

130. No/very few toys that the spoiled toddlers demanded for Christmas this past year have ever had educational value.

The toys that no/very few spoiled toddlers demanded for Christmas this past year have ever had educational value.

Most toys that the spoiled toddlers demanded for Christmas this past year have ever had educational value.

131. No/very few boats that the fishing enthusiasts have rented from the boating store have ever suffered from engine trouble.

The boats that no/very few fishing enthusiasts have rented from the boating store have ever suffered from engine trouble.

Most boats that the fishing enthusiasts have rented from the boating store have ever suffered from engine trouble.

132. No/very few universities that the multinational companies have recruited at in recent years have ever had low job placement rates.

The universities that no/very few multinational companies have recruited at in recent years have ever had low job placement rates.

Most universities that the multinational companies have recruited at in recent years have ever had low job placement rates.

133. No/very few cinemas that the bored teenagers like to visit on the weekend have ever had sluggish ticket sales.

The cinemas that no/very few bored teenagers like to visit on the weekends have ever had sluggish ticket sales.

Most cinemas that the bored teenagers like to visit on the weekend have ever had sluggish ticket sales.

134. No/very few jobs that the recent graduates have managed to acquire after college have ever paid very well.

The jobs that no/very few recent graduates have managed to acquire after college have ever paid very well.

Most jobs that the recent graduates have managed to acquire after college have ever paid very well.

135. No/very few cities that the Olympic officials have nominated to host the games have ever disappointed tourists.

The cities that no/very few Olympic officials have nominated to host the games have ever disappointed tourists.

Most cities that the Olympic officials have nominated to host the games have ever disappointed tourists.

136. No/very few rainforests that the environmental groups have tried to protect from harm have ever sustained major damage to their ecosystem.

The rainforests that no/very few environmental groups have tried to protect from harm have ever sustained major damage to their ecosystem.

Most rainforests that the environmental groups have tried to protect from harm have ever sustained major damage to their ecosystem.

137. No/very few scandals that the prominent politicians have been willing to discuss publicly have ever generated a large public outcry.

The scandals that no/very few prominent politicians have been willing to discuss publicly have ever generated a large public outcry.

Most scandals that the prominent politicians have been willing to discuss publicly have ever generated a large public outcry.

138. No/very few stunts that the daredevil pilots have accomplished in dangerously windy weather have ever involved an upside-down loop.

The stunts that no/very few daredevil pilots have accomplished in dangerously windy weather have ever involved an upside-down loop.

Most stunts that the daredevil pilots have accomplished in dangerously windy weather have ever involved an upside-down loop.

139. No/very few lakes that the local fishermen have fished from in the summer have ever been contaminated by nearby companies.

The lakes that no/very few local fishermen have fished from in the summer have ever been contaminated by nearby companies.

Most lakes that the local fishermen have fished from in the summer have ever been contaminated by nearby companies.

140. No/very few experiments that the willing participants have volunteered for at the hospital have ever required more than four hours.

The experiments that no/very few willing participants have volunteered for at the hospital have required more than four hours.

Most experiments that the willing participants have volunteered for at the hospital have ever required more than four hours.

141. No/very few newspapers that the suburban commuters read daily in the metro have ever been concerned about sales.

The newspapers that no/very few suburban commuters read daily in the metro have ever been concerned about sales.

Most newspapers that the suburban commuters read daily in the metro have ever been concerned about sales.

142. No/very few cafes that the morning commuters visit for coffee and breakfast have ever offered early bird specials.

The cafes that no/very few morning commuters visit for coffee and breakfast have offered early bird specials.

Most cafes that the morning commuters visit for coffee and breakfast have ever offered early bird specials.

143. No/very few legends that the scientific experts have investigated for grains of truth have ever captured the people's imagination.

The legends that no/very few scientific experts have investigated for grains of truth have ever captured the people's imagination.

Most legends that the scientific experts have investigated for grains of truth have ever captured the people's imagination.

144. No/very few species that the American aquariums have managed to breed in captivity have ever been on the endangered species list.

The species that no/very few American aquariums have managed to breed in captivity have ever been on the endangered species list.

Most species that the American aquariums have managed to breed in captivity have ever been on the endangered species list.

145. No/very few problems that the math teachers have assigned to their young students have ever involved advanced mathematical concepts.

The problems that no/very few math teachers have assigned to their young students have ever involved advanced mathematical concepts.

Most problems that the math teachers have assigned to their young students have ever involved advanced mathematical concepts.

146. No/very few websites that the security agents have monitored using recently developed technology have ever posted illegal material.

The websites that no/very few security agents have monitored using recently developed technology have ever posted illegal material.

Most websites that the security agents have monitored using recently developed technology have ever posted illegal material.

147. No/very few neighborhoods that the resourceful burglars have robbed under cover of night have ever had neighborhood watch programs.

The neighborhoods that no/very few resourceful burglars have robbed under cover of night have ever had neighborhood watch programs.

Most neighborhoods that the resourceful burglars have robbed under cover of night have ever had neighborhood watch programs.

148. No/very few gardens that the dedicated gardeners have maintained in their spare time have ever looked unkempt and overgrown.

The gardens that no/very few dedicated gardeners have maintained in their spare time have ever looked unkempt and overgrown.

Most gardens that the dedicated gardeners have maintained in their spare time have ever looked unkempt and overgrown.

149. No/very few banks that the wealthy investors have trusted to handle their finances have ever had a bad reputation.

The banks that no/very few wealthy investors have trusted to handle their finances have ever had a bad reputation.

Most banks that the wealthy investors have trusted to handle their finances have ever had a bad reputation.

150. No/very few streets that the city cops drive through on a regular basis have ever had many problems with speeding drivers.

The streets that no/very few city cops drive through on a regular basis have ever had many problems with speeding drivers.

Most streets that the city cops drive through on a regular basis have ever had many problems with speeding drivers.
