

1. The expert pilot that John admired more than the others injured himself during the long and difficult journey. (Did John injure himself during the journey? N)

The expert pilot that Mary admired more than the others injured herself during the long and difficult journey. (Did Mary injure herself during the journey? N)

The expert pilot that John admired more than the others injured herself during the long and difficult journey. (Did the pilot admire John? N)

2. The dedicated firefighter that Henry recommended for the new job cut himself on broken glass on the floor. (Did Henry cut himself on broken glass? N)

The dedicated firefighter that Linda recommended for the new job cut herself on broken glass on the floor. (Did Linda cut herself on broken glass? N)

The dedicated firefighter that Henry recommended for the new job cut herself on broken glass on the floor. (Did the firefighter recommend Henry for the new job? N)

3. The well-known surgeon that Jonathan had studied with in school pricked himself with a used needle. (Did Jonathan prick himself with a used needle? N)

The well-known surgeon that Jennifer had studied with in school pricked herself with a used needle. (Did Jennifer prick herself with a used needle? N)

The well-known surgeon that Jonathan had studied with in school pricked herself with a used needle. (Did the surgeon study with Jonathan in school? N)

4. The solemn undertaker that Tony worked with in the morgue scared himself on a rainy night. (Did Tony scare himself? N)

The solemn undertaker that Anne worked with in the morgue scared herself on a rainy night. (Did Anne scare herself? N)

The solemn undertaker that Tony worked with in the morgue scared herself on a rainy night. (Did Tony scare the undertaker? N)

5. The head engineer that Peter had visited in the factory convinced himself that the building was safe. (Did Peter convince himself about the safety of the building? N)

The head engineer that Nancy had visited in the factory convinced herself that the building was safe. (Did Nancy convince herself about the safety of the building? N)

The head engineer that Peter had visited in the factory convinced herself that the building was safe. (Did the engineer visit Peter in the factory? N)

6. The professional electrician that Timothy consulted about the wiring problems blamed himself for the fire. (Did Timothy blame himself for the fire? N)

The professional electrician that Miranda consulted about the wiring problems blamed herself for the fire. (Did Miranda blame herself for the fire? N)

The professional electrician that Timothy consulted about the wiring problems blamed herself for the fire. (Did the electrician blame Timothy for the fire? N)

7. The organic farmer that Donald spoke to in the market entertains himself at home by watching TV. (Does Donald entertain himself by riding horses? N)

The organic farmer that Lisa spoke to in the market entertains herself at home by watching TV. (Did Lisa entertain herself by riding horses? N)

The organic farmer that Donald spoke to in the market entertains herself at home by watching TV. (Did Donald entertain the farmer by taking him to a movie? N)

8. The boat mechanic that Brian found in the newspaper had taught himself everything about boats from a book. (Did Brian teach himself everything about boats? N)

The boat mechanic that Jane found in the newspaper had taught herself everything about boats from a book. (Did Jane teach herself everything about boats? N)

The boat mechanic that Brian found in the newspaper had taught herself everything about boats from a book. (Did Brian teach the mechanic everything about boats? N)

9. The bulky bodyguard that Phil hired to protect the witness proved himself to be trustworthy and well-trained. (Was Phil a well-trained bodyguard? N)

The bulky bodyguard that Grace hired to protect the witness proved herself to be trustworthy and well-trained. (Was Grace a well-trained bodyguard? N)

The bulky bodyguard that Phil hired to protect the witness proved herself to be trustworthy and well-trained. (Was Phil a well-trained bodyguard? N)

10. The charming butcher that Fred bought meat from every week burnt himself in the kitchen. (Did Fred burn himself in the kitchen? N)

The charming butcher that Barbara bought meat from every week burnt herself in the kitchen. (Did Barbara burn herself in the kitchen? N)

The charming butcher that Fred bought meat from every week burnt herself in the kitchen. (Did Fred hurt the butcher in the kitchen? N)

11. The hilarious clown that Tim invited for the birthday party treated himself to a stiff drink in secret. (Did Tim treat himself to a drink? N)

The hilarious clown that Jessica invited for the birthday party treated herself to a stiff drink in secret. (Did Jessica treat herself to a drink? N)

The hilarious clown that Tim invited for the birthday party treated herself to a stiff drink in secret. (Did the clown treat Tim to a drink? N)

12. The distinguished diplomat that Tom heard about on the radio proved himself to be a good politician. (Did Tom prove himself to be a good politician? N)

The distinguished diplomat that Susan heard about on the radio proved herself to be a good politician. (Did Susan prove herself to be a good politician? N)

The distinguished diplomat that Tom heard about on the radio proved herself to be a good politician. (Did the diplomat hear about Tom on the radio? N)

13. The wealthy banker that Matt saw on TV last month ruined himself in an embezzlement scandal. (Did Matt get involved in a scandal? N)

The wealthy banker that Amy saw on TV last month ruined herself in an embezzlement scandal. (Did Amy get involved in a scandal? N)

The wealthy banker that Matt saw on TV last month ruined herself in an embezzlement scandal. (Did the banker see Matt on TV? N)

14. The cruel hunter that Jake criticized for killing baby animals shot himself by accident while deer hunting. (Did Jake shoot himself? N)

The cruel hunter that Clare criticized for killing baby animals shot herself by accident while deer hunting. (Did Clare shoot herself? N)

The cruel hunter that Jake criticized for killing baby animals shot herself by accident while deer hunting. (Did the hunter criticize Jake for killing animals? N)

15. The funny bellhop that Mike kindly tipped at the hotel locked himself in a room all alone. (Did Mike lock himself in a room? N)

The funny bellhop that Ellen kindly tipped at the hotel locked herself in a room all alone. (Did Ellen lock herself in a room? N)

The funny bellhop that Mike kindly tipped at the hotel locked herself in a room all alone. (Did the bellhop give Mike money? N)

16. The caring nurse that Susanna thanked after the important surgery devoted herself to the health of her patients. (Did Susanna devote herself to the patients? N)

The caring nurse that Dennis thanked after the important surgery devoted himself to the health of his patients. (Did Dennis devote himself to the patients? N)

The caring nurse that Susanna thanked after the important surgery devoted himself to the health of his patients. (Did Susanna devote herself to the patients? N)

17. The busy babysitter that Heather spilled food on by accident cleaned herself up in the kitchen. (Did Heather spill food on herself? N)

The busy babysitter that Henry spilled food on by accident cleaned himself up in the kitchen. (Did Henry spill food on himself? N)

The busy babysitter that Heather spilled food on by accident cleaned himself up in the kitchen. (Did Heather spill food on herself? N)

18. The mystic fortuneteller that Jenna believed in with complete faith taught herself to read palms. (Did Jenna teach the fortuneteller to read palms? N)

The mystic fortuneteller that Bill believed in with complete faith taught himself to read palms. (Did Bill teach the fortuneteller to read palms? N)

The mystic fortuneteller that Jenna believed in with complete faith taught himself to read palms. (Did Jenna teach the fortuneteller to read palms? N)

19. The rude receptionist that Melinda spoke with on the phone locked herself out of the office. (Did Melinda lock herself out of the office? N)

The rude receptionist that Melvin spoke with on the phone locked himself out of the office. (Did Melvin lock himself out of the office? N)

The rude receptionist that Melinda spoke with on the phone locked himself out of the office. (Did Melinda lock herself out of the office? N)

20. The clumsy secretary that Esther criticized harshly in the meeting defended herself in front of everybody. (Did the secretary criticize Esther? N)

The clumsy secretary that Hugh criticized harshly in the meeting defended himself in front of everybody. (Did the secretary criticize Hugh? N)

The clumsy secretary that Esther criticized harshly in the meeting defended himself in front of everybody. (Did the secretary criticize Esther? N)

21. The daycare manager that Nicole respected very much has dedicated herself to serving the community for twenty years. (Was the daycare manager new to the community? N)

The daycare manager that Peter respected very much has dedicated himself to serving the community for twenty years. (Was the daycare manager new to the community? N)

The daycare manager that Nicole respected very much has dedicated himself to serving the community for twenty years. (Was the daycare manager new to the community? N)

22. The young housekeeper that Andrea trusted to clean the mansion congratulated herself for getting a raise. (Did Andrea get a raise? N)

The young housekeeper that Tommy trusted to clean the mansion congratulated himself for getting a raise. (Did Tommy get a raise? N)

The young housekeeper that Andrea trusted to clean the mansion congratulated himself for getting a raise. (Did Andrea get a raise? N)

23. The popular matchmaker that Elizabeth met in the online chat-room described herself as a servant of Cupid. (Did Elizabeth meet the matchmaker in the street? N)

The popular matchmaker that Benjamin met in the online chat-room described himself as a servant of Cupid. (Did Benjamin meet the matchmaker in the street? N)

The popular matchmaker that Elizabeth met in the online chat-room described himself as a servant of Cupid. (Did Elizabeth meet the matchmaker in the street? N)

24. The enthusiastic cheerleader that Tonya heard in the big stadium gave herself a sore throat. (Was the cheerleader too quiet? N)

The enthusiastic cheerleader that Ted heard in the big stadium gave himself a sore throat. (Was the cheerleader too quiet? N)

The enthusiastic cheerleader that Tonya heard in the big stadium gave himself a sore throat. (Was the cheerleader too quiet? N)

25. The fashion model that Ellen invited to the cocktail party distanced herself from all the paparazzi and reporters. (Did the model invite Ellen to the party? N)

The fashion model that Bob invited to the cocktail party distanced himself from all the paparazzi and reporters. (Did the model invite Bob to the party? N)

The fashion model that Ellen invited to the cocktail party distanced himself from all the paparazzi and reporters. (Did the model invite Ellen to the party? N)

26. The respected beautician that Amy interviewed in the fashion magazine educated herself through years of hard work. (Was the beautician interviewed by Amy in the newspaper? N)

The respected beautician that Arnold interviewed in the fashion magazine educated himself through years of hard work. (Was the beautician interviewed by Arnold in the newspaper? N)

The respected beautician that Amy interviewed in the fashion magazine educated himself through years of hard work. (Was the beautician interviewed by Amy in the newspaper? N)

27. The aerobics instructor that Nina exercised with in the gym gave herself a week off from work. (Was it Nina who

took a week off of work? N)

The aerobics instructor that Leo exercised with in the gym gave himself a week off from work. (Was it Leo who took a week off of work? N)

The aerobics instructor that Nina exercised with in the gym gave himself a week off from work. (Was it Nina who took a week off of work? N)

28. The kind caregiver that Amanda hired for the summer vacation blamed herself when the children were ill-behaved. (Did the caregiver blame Amanda? N)

The kind caregiver that Johnny hired for the summer vacation blamed himself when the children were ill-behaved. (Did the caregiver blame Johnny? N)

The kind caregiver that Amanda hired for the summer vacation blamed himself when the children were ill-behaved. (Did the caregiver blame Amanda? N)

29. The talkative cosmetician that Janice photographed for the local newspaper poisoned herself by accident. (Did Janice poison herself? N)

The talkative cosmetician that Phillip photographed for the local newspaper poisoned himself by accident. (Did Phillip poison himself? N)

The talkative cosmetician that Janice photographed for the local newspaper poisoned himself by accident. (Did Janice poison herself? N)

30. The dental hygienist that Pamela visited early in the morning cleaned herself up after filling several cavities. (Was it Pamela who filled the cavities? N)

The dental hygienist that Matthew visited early in the morning cleaned himself up after filling several cavities. (Was it Matthew who filled the cavities? N)

The dental hygienist that Pamela visited early in the morning cleaned himself up after filling several cavities. (Was it Pamela who filled the cavities? N)

31. The flight attendant that Wendy troubled on the long flight restrained herself from getting impatient. (Did Wendy trouble the flight attendant? Y)

The flight attendant that Richard troubled on the long flight restrained himself from getting impatient. (Did Richard trouble the flight attendant? Y)

The flight attendant that Wendy troubled on the long flight restrained himself from getting impatient. (Did Wendy trouble the flight attendant? Y)

32. The artsy florist that Polly saw in the garden was making herself a bouquet of flowers. (Did the florist make a bouquet of flowers for herself? Y)

The artsy florist that Rick saw in the garden was making himself a bouquet of flowers. (Did Rick see the florist in the garden? Y)

The artsy florist that Polly saw in the garden was making himself a bouquet of flowers. (Did Polly see the florist in the garden? Y)

33. The excited groupie that Catherine left waiting for three hours asked herself if it was worth it. (Did the groupie wait for a long time? Y)

The excited groupie that Max left waiting for three hours asked himself if it was worth it. (Did Max leave the groupie waiting? Y)

The excited groupie that Catherine left waiting for three hours asked himself if it was worth it. (Did Catherine leave the groupie waiting? Y)

34. The ambitious gymnast that Sasha chose for the national competition pushed herself to be the best. (Did the gymnast push herself to be the best? Y)

The ambitious gymnast that Tim chose for the national competition pushed himself to be the best. (Did Tim choose the gymnast for the national competition? Y)

The ambitious gymnast that Sasha chose for the national competition pushed himself to be the best. (Did Sasha choose the gymnast for the national competition? Y)

35. The mysterious gypsy that Glenda chatted with on the train supported herself by giving street performances all over the world. (Did the mysterious gypsy give street performances all over the world? Y)

The mysterious gypsy that Isaac chatted with on the train supported himself by giving street performances all over the world. (Did Isaac chat with the gypsy on the train? Y)

The mysterious gypsy that Glenda chatted with on the train supported himself by giving street performances all over the world. (Did Glenda chat with the gypsy on the train? Y)

36. The tired hairdresser that Betsy kept at work all day drove herself home at midnight. (Did the hairdresser drive herself home at night? Y)

The tired hairdresser that Ron kept at work all day drove himself home at midnight. (Did Ron keep the hairdresser working until very late? Y)

The tired hairdresser that Betsy kept at work all day drove himself home at midnight. (Did Betsy keep the hairdresser working until very late? Y)

37. The single parent that Charlene promoted to the manager position trained herself to balance work and home responsibilities. (Did the single parent train herself to balance work and home responsibilities? Y)

The single parent that Charles promoted to the manager position trained himself to balance work and home responsibilities. (Did the single parent train himself to balance work and home responsibilities? Y)

The single parent that Charlene promoted to the manager position trained himself to balance work and home responsibilities. (Did the single parent train himself to balance work and home responsibilities? Y)

38. The nightclub stripper that Michelle hired for the huge party painted herself with bright and beautiful colors. (Did the stripper paint herself? Y)

The nightclub stripper that Doug hired for the huge party painted himself with bright and beautiful colors. (Did the stripper paint himself? Y)

The nightclub stripper that Michelle hired for the beach party painted himself with bright and beautiful colors. (Did the stripper paint himself? Y)

39. The kindergarten teacher that Helen called for a parent-teacher meeting sent herself an email reminder. (Did the kindergarten teacher send herself an email? Y)

The kindergarten teacher that Herbert called for a parent-teacher meeting sent himself an email reminder. (Did Herbert call the kindergarten teacher? Y)

The kindergarten teacher that Helen called for a parent-teacher meeting sent himself an email reminder. (Did Helen call the kindergarten teacher? Y)

40. The elementary-school teacher that Sophie liked very much in school scolded herself for yelling at the kids. (Did the elementary-school teacher scold herself? Y)

The elementary-school teacher that Bernard liked very much in school scolded himself for yelling at the kids. (Did Bernard like the elementary school teacher? Y)

The elementary-school teacher that Sophie liked very much in school scolded himself for yelling at the kids. (Did Sophie like the elementary school teacher? Y)

41. The telephone operator that Stephanie called for emergency medical help calmed herself down and was able to help. (Did the telephone operator calm herself down? Y)

The telephone operator that Ryan called for emergency medical help calmed himself down and was able to help. (Did Ryan call for some help? Y)

The telephone operator that Stephanie called for emergency medical help calmed himself down and was able to help. (Did Stephanie call for some help? Y)

42. The beauty consultant that Isabelle met on the small island covered herself with ocean mud. (Did the beauty consultant cover herself with ocean mud? Y)

The beauty consultant that Terry met on the small island covered himself with ocean mud. (Did the beauty consultant cover himself with ocean mud? Y)

The beauty consultant that Isabelle met on the small island covered himself with ocean mud. (Did the beauty consultant cover himself with ocean mud? Y)

43. The hair stylist that Cynthia had known for twenty years invited herself to Cynthia's wedding. (Does Cynthia know the hair stylist? Y)

The hair stylist that Tony had known for twenty years invited himself to Tony's wedding. (Does Tony know the hair stylist? Y)

The hair stylist that Cynthia had known for twenty years invited himself to Cynthia's wedding. (Does Cynthia know the hair stylist? Y)

44. The wedding planner that Lisa wanted to fire immediately actually considers herself the best planner in town. (Did the wedding planner actually think she is good? Y)

The wedding planner that Chuck wanted to fire immediately actually considers himself the best planner in town. (Did the wedding planner actually think he is good? Y)

The wedding planner that Lisa wanted to fire immediately actually considers himself the best planner in town. (Did the wedding planner actually think he is good? Y)

45. The talented harpist that Grace hoped would win the competition embarrassed herself by hitting a wrong note. (Did the harpist play a wrong note? Y)

The talented harpist that Frank hoped would win the competition embarrassed himself by hitting a wrong note. (Did Frank have high hope on the harpist? Y)

The talented harpist that Grace hoped would win the competition embarrassed himself by hitting a wrong note. (Did Grace have high hope on the harpist? Y)

46. The famous senator that Robert volunteered for in the campaign compared himself with previous presidents. (Was Robert's senator famous? Y)

The famous senator that Roberta volunteered for in the campaign compared herself with previous presidents. (Was Roberta's senator famous? Y)

The famous senator that Robert volunteered for in the campaign compared herself with previous presidents. (Was Robert's senator famous? Y)

47. The police officer that Albert asked to investigate the case disguised himself to get more information. (Was it the officer who was in disguise? Y)

The police officer that Connie asked to investigate the case disguised herself to get more information. (Was it the officer who was in disguise? Y)

The police officer that Albert asked to investigate the case disguised herself to get more information. (Was it the officer who was in disguise? Y)

48. The old rancher that Ned chose as a milk supplier exhausted himself after building a huge barn on the hill. (Did the rancher build a barn on the hill? Y)

The old rancher that Nina chose as a milk supplier exhausted herself after building a huge barn on the hill. (Did the rancher build a barn on the hill? Y)

The old rancher that Ned chose as a milk supplier exhausted herself after building a huge barn on the hill. (Did the rancher build a barn on the hill? Y)

49. The old sailor that Paul traveled with across the ocean drowned himself on his last trip to Africa. (Did the sailor drown himself? Y)

The old sailor that Melissa traveled with across the ocean drowned herself on her last trip to Africa. (Did the sailor drown herself? Y)

The old sailor that Paul traveled with across the ocean drowned herself on her last trip to Africa. (Did the sailor drown herself? Y)

50. The truck driver that Frank met in the gas station hated himself for smoking so heavily. (Did Frank meet any truck drivers? Y)

The truck driver that Stacy met in the gas station hated herself for smoking so heavily. (Did Stacey meet any truck drivers? Y)

The truck driver that Frank met in the gas station hated herself for smoking so heavily. (Did Frank meet any truck drivers? Y)

51. The tough boxer that Joe bet all the money on wounded himself horribly in the last fight. (Did the boxer hurt himself? Y)

The tough boxer that Ashlee bet all the money on wounded herself horribly in the last fight. (Did the boxer hurt herself? Y)

The tough boxer that Joe bet all the money on wounded herself horribly in the last fight. (Did the boxer hurt herself? Y)

52. The tall bodybuilder that Jeff has been training with likes challenging himself with very heavy weights. (Is Jeff training with the bodybuilder? Y)

The tall bodybuilder that Olivia has been training with likes challenging herself with very heavy weights. (Is Olivia training with the bodybuilder? Y)

The tall bodybuilder that Jeff has been training with likes challenging herself with very heavy weights. (Is Jeff training with the bodybuilder? Y)

53. The basketball coach that Jim hates to work with never criticizes himself for his team's poor performance. (Does Jim hate working with the coach? Y)

The basketball coach that Laura hates to work with never criticizes herself for her team's poor performance. (Does Laura hate working with the coach? Y)

The basketball coach that Jim hates to work with never criticizes herself for her team's poor performance. (Does Jim hate working with the coach? Y)

54. The young golfer that William expected to win the competition forced himself to calm down after losing the game. (Did the golfer lose the game? Y)

The young golfer that Alice expected to win the competition forced herself to calm down after losing the game. (Did the golfer lose the game? Y)

The young golfer that William expected to win the competition forced herself to calm down after losing the game. (Did the golfer lose the game? Y)

55. The construction worker that David drove by on the road hit himself on the face by accident. (Did the construction worker hit himself? Y)

The construction worker that Deirdre drove by on the road hit herself on the face by accident. (Did the construction worker hit herself? Y)

The construction worker that David drove by on the road hit herself on the face by accident. (Did the construction worker hit herself? Y)

56. The grimy blacksmith that Steve purchased some horse shoes from hurt himself with the sharp tools. (Did the blacksmith hurt himself? Y)

The grimy blacksmith that Maria purchased some horse shoes from hurt herself with the sharp tools. (Did the blacksmith hurt herself? Y)

The grimy blacksmith that Steve purchased some horse shoes from hurt herself with the sharp tools. (Did the blacksmith hurt herself? Y)

57. The careful miner that Roger has advised on safety issues saved himself and other people after a cave-in. (Did Roger give safety advice? Y)

The careful miner that Sally has advised on safety issues saved herself and other people after a cave-in. (Did Sally give safety advice? Y)

The careful miner that Roger has advised on safety issues saved herself and other people after a cave-in. (Did Roger give safety advice? Y)

58. The young Lieutenant that Gordon sent on the dangerous mission rescued himself from the airplane crash. (Did the Lieutenant rescue himself? Y)

The young Lieutenant that Barbara sent on the dangerous mission rescued herself from an airplane crash. (Did the Lieutenant rescue herself? Y)

The young Lieutenant that Gordon sent on the dangerous mission rescued herself from an airplane crash. (Did the Lieutenant rescue herself? Y)

59. The new executive that Jim reports to on business issues corrected himself for a wrong decision he made. (Did the executive correct himself? Y)

The new executive that Anne reports to on business issues corrected herself for a wrong decision she made. (Did the

executive correct herself? Y)

The new executive that Jim reports to on business issues corrected herself for a wrong decision she made. (Did the executive correct herself? Y)

60. The busy sheriff that Danny rightly appointed to the commission prepared himself for the weekly press briefing. (Did Danny appoint a new sheriff? Y)

The busy sheriff that Danielle rightly appointed to the commission prepared herself for the weekly press briefing. (Did Danielle appoint a new sheriff? Y)

The busy sheriff that Danny rightly appointed to the commission prepared herself for the weekly press briefing. (Did Danny appoint a new sheriff? Y)

61. The serious minister that Justin invited to give a talk presented himself as an open-minded thinker.  
The serious minister that Julia invited to give a talk presented herself as an open-minded thinker.  
The serious minister that Justin invited to give a talk presented herself as an open-minded thinker.

62. The expensive chauffeur that Oliver reserved for the boring trip amused himself by listening to stories on CDs while driving.  
The expensive chauffeur that Lydia reserved for the boring trip amused herself by listening to stories on CDs while driving.  
The expensive chauffeur that Oliver reserved for the boring trip amused herself by listening to stories on CDs while driving.

63. The thoughtful plumber that Ron paid to fix the pipes reminded himself to double check the drain.  
The thoughtful plumber that Rebecca paid to fix the pipes reminded herself to double check the drain.  
The thoughtful plumber that Ron paid to fix the pipes reminded herself to double check the drain.

64. The tough soldier that Fred treated in the military hospital introduced himself to all the nurses.  
The tough soldier that Katy treated in the military hospital introduced herself to all the nurses.  
The tough soldier that Fred treated in the military hospital introduced herself to all the nurses.

65. The skillful carpenter that Simon paid to make some furniture treated himself to a new set of tools.  
The skillful carpenter that Rachel paid to make some furniture treated herself to a new set of tools.  
The skillful carpenter that Simon paid to make some furniture treated herself to a new set of tools.

66. The taxi driver that Andrew crashed into on the road protected himself from being hurt by steering to the side.  
The taxi driver that Amelia crashed into on the road protected herself from being hurt by steering to the side.  
The taxi driver that Andrew crashed into on the road protected herself from being hurt by steering to the side.

67. The drug dealer that Mark searched for all over town gave himself up to the local police station.  
The drug dealer that Martha searched for all over town gave herself up to the local police station.  
The drug dealer that Mark searched for all over town gave herself up to the local police station.

68. The skilled chef that Brad wanted for the family restaurant found himself a better job elsewhere.  
The skilled chef that Brenda wanted for the family restaurant found herself a better job elsewhere.  
The skilled chef that Brad wanted for the family restaurant found herself a better job elsewhere.

69. The notorious sergeant that Walter prosecuted for abuse of prisoners killed himself before the final sentence.  
The notorious sergeant that Camille prosecuted for abuse of prisoners killed herself before the final sentence.  
The notorious sergeant that Clifton prosecuted for abuse of prisoners killed herself before the final sentence.

70. The soccer referee that Michael argued with in the game removed himself from the head referee position.  
The soccer referee that Michelle argued with in the game removed herself from the head referee position.  
The soccer referee that Michael argued with in the game removed herself from the head referee position.

71. The rough lumberjack that Kevin saw on the mountain had separated himself from the outside world.

The rough lumberjack that Karen saw on the mountain had separated herself from the outside world.  
The rough lumberjack that Kevin saw on the mountain had separated herself from the outside world.

72. The tidy janitor that Harold insulted in the school simply told himself to ignore the stupid comments.  
The tidy janitor that Veronica insulted in the school simply told herself to ignore the stupid comments.  
The tidy janitor that Harold insulted in the school simply told herself to ignore the stupid comments.

73. The new CEO that Peter worked for as an assistant described himself as a hard-working family man.  
The new CEO that Janet worked for as an assistant described herself as a hard-working family woman.  
The new CEO that Peter worked for as an assistant described herself as a hard-working family woman.

74. The meticulous architect that Josh has employed for a year recommended himself to lead a major project.  
The meticulous architect that Tracy has employed for a year recommended herself to lead a major project.  
The meticulous architect that Josh has employed for a year recommended herself to lead a major project.

75. The security guard that Ian suspected of robbing the bank contradicted himself in the interrogation.  
The security guard that Anna suspected of robbing the bank contradicted herself in the interrogation.  
The security guard that Ian suspected of robbing the bank contradicted herself in the interrogation.

76. The happy manicurist that Stacey knew very well laughed loudly at herself for picking the wrong color for the client.  
The happy manicurist that Wesley knew very well laughed loudly at himself for picking the wrong color for the client.  
The happy manicurist that Stacey knew very well laughed loudly at himself for picking the wrong color for the client.

77. The fashion consultant that Maggie read about in the newspaper distinguished herself from other consultants with her attention to detail.  
The fashion consultant that Toby read about in the newspaper distinguished himself from other consultants with his attention to detail.  
The fashion consultant that Maggie read about in the newspaper distinguished himself from other consultants with his attention to detail.

78. The thin dietitian that Emily takes diet advice from actually starves herself to lose weight.  
The thin dietitian that Gregory takes diet advice from actually starves himself to lose weight.  
The thin dietitian that Emily takes diet advice from actually starves himself to lose weight.

79. The wise nutritionist that Henrietta chatted with on the internet healed herself from malnutrition problems ten years ago.  
The wise nutritionist that Colin chatted with on the internet healed himself from malnutrition problems ten years ago.  
The wise nutritionist that Henrietta chatted with on the internet healed himself from malnutrition problems ten years ago.

80. The figure skater that Patricia cheered for in the competition excused herself from the party because she was sick.  
The figure skater that George cheered for in the competition excused himself from the party because he was sick.  
The figure skater that Patricia cheered for in the competition excused himself from the party because he was sick.

81. The ballet dancer that Roxanne accidentally pushed to the ground examined herself for any signs of injuries or bruises.  
The ballet dancer that Robby accidentally pushed to the ground examined himself for any signs of injuries or bruises.  
The ballet dancer that Roxanne accidentally pushed to the ground examined himself for any signs of injuries or bruises.

82. The stern librarian that Angela asked for help with research informed herself about all the relevant information that Angela needed.  
The stern librarian that Victor asked for help with research informed himself about all the relevant information that Victor needed.  
The stern librarian that Angela asked for help with research informed himself about all the relevant information that Angela needed.

83. The quick typist that Crystal asked to join the meeting allowed herself to take some work home to finish.

The quick typist that William asked to join the meeting allowed himself to take some work home to finish.  
The quick typist that Crystal asked to join the meeting allowed himself to take some work home to finish.

84. The cake decorator that Betty hired as an apprentice often hid herself in the kitchen to practice cake designs.  
The cake decorator that Brad hired as an apprentice often hid himself in the kitchen to practice cake designs.  
The cake decorator that Betty hired as an apprentice often hid himself in the kitchen to practice cake designs.

85. The soap-opera fan that Dorothy seriously scolded for wasting time limited herself to only two shows a week.  
The soap-opera fan that Samuel seriously scolded for wasting time limited himself to only two shows a week.  
The soap-opera fan that Dorothy seriously scolded for wasting time limited himself to only two shows a week.

86. The romance novelist that Becky pictured as a confident writer doubted herself after the failure of her last book.  
The romance novelist that Edward pictured as a confident writer doubted himself after the failure of his last book.  
The romance novelist that Becky pictured as a confident writer doubted himself after the failure of his last book.

87. The yoga teacher that Jacqueline short-listed for the teaching position drilled herself five hours a day on exercises before the interview.  
The yoga teacher that Howard short-listed for the teaching position drilled himself five hours a day on exercises before the interview.  
The yoga teacher that Jacqueline short-listed for the teaching position drilled himself five hours a day on exercises before the interview.

88. The young dressmaker that Sara regarded as creative and talented motivated herself to get a degree in fashion design.  
The young dressmaker that Larry regarded as creative and talented motivated himself to get a degree in fashion design.  
The young dressmaker that Sara regarded as creative and talented motivated himself to get a degree in fashion design.

89. The magician's assistant that Lori employed not long ago already familiarized herself with all the complex tricks.  
The magician's assistant that Scott employed not long ago already familiarized himself with all the complex tricks.  
The magician's assistant that Lori employed not long ago already familiarized himself with all the complex tricks.

90. The eloquent feminist that Victoria collaborated with on a book defined herself as an advocate for women's rights.  
The eloquent feminist that Joshua collaborated with on a book defined himself as an advocate for women's rights.  
The eloquent feminist that Victoria collaborated with on a book defined himself as an advocate for women's rights.
