

## **Directions to Paul's house: 6301 Pontiac, Berwyn Heights MD, 20740**

> From 95, it's very simple:

Take the exit for Kenilworth Avenue (Rt. 201, exit 23).  
Head south on Kenilworth (towards Bladensburg).  
If you exit off 95 South, you'll need to move over  
one lane to the left (to avoid an immediate exit off Kenilworth).

Less than a mile down is a traffic light for Pontiac Street;  
turn right from the dedicated lane. We're #6301--a brick house on the  
left, opposite the first street (63rd) on the right.  
You can park in our driveway, or on the right (north) side of Pontiac.  
There's usually plenty of space just past 63rd street.  
But you cannot, alas, park on our side of the street.

---

> From Route 1, coming north, it is equally simple:

Turn right on Paint Branch  
(opposite the \*main\* entrance to the university).  
Follow it around, through the lights near the metro station, and turn left  
at the next light (Kenilworth, Rt. 201, heading north).

Go through the flashing light. The next light (about a mile or so) is  
Pontiac. Turn left; we're on the left, 6301, a brick house just before the  
first corner (63rd Street). Parking directions as above.

---

> For locals, find your way to Kenilworth (Rt. 201).

If heading south, pass the entrance to the beltway and use the rest of the  
directions from 95. If heading north, go through the intersection  
with Paint Branch and use the rest of the directions from Route 1.
