1. [6 points]
Draw one morphological tree for each of the following words (they are unambiguous).

a. unrepeatability

b. inseparable

c. relocation
2. [15 points]

For each of the following sentences:

(i) Determine whether or not the sentence is ambiguous. If it is ambiguous, state both of its possible meanings.

(ii) Draw one tree for each meaning (i.e. draw one tree if the sentence is unambiguous, and two if it is ambiguous). If the sentence is ambiguous, indicate which tree is associated with which meaning.

a. The man with the blue coat boarded the train.

b. The tall man saw the woman on the bus.

c. The skilled waiter served the soup with a ladle.

d. The captain saw the outline of the ship through the telescope.

e. John hit the man with a stick.
